Since 2018, the St Martin's Awards have aimed to support and recognise deserving individuals who support people on the margins. We are delighted to announce our inaugural student scholarship.

The aim of the Scholarship is to support a deserving individual who requires financial assistance with university fees or related expenses for the academic year 2021 – 2022.

The applicant must be (or have forthcoming permission to be) ordinarily resident in the UK but there is no restriction as to age, nationality or subject studied. The applicant must already either be in full-time higher education or due to be commencing a full-time higher education course, either undergraduate or postgraduate, before Oct 31, 2021. The value of the scholarship is **£5,000** and applicants are requested to submit a CV and complete the attached form, which requires a supporting statement. A reference from the applicant's current school teacher or university tutor is also required. The deadline for applications is **5pm on Wednesday June 30, 2021**.

Completed application forms may be sent by email to Dr Lewis Owens: Scholarship@stmartins-challenge.co.uk.
